REMEMBERING OUR STORIES: EXPLORING SPIRITUALITY THROUGH THE PARABLES OF JESUS

This course is a spiritual journey through the parables of Jesus, finding new ways of reading them as we explore our own personal stories. We will use some principles of Ignatian spirituality and Narrative therapy as we approach the parables of Jesus with an autobiographical lens.

YOUR SACRED STORY

How are we able to find meaning in the events of our lives, our cultures, and our faiths? The story of ourselves is found in the distilling of memory into what is meaningful, and only as we choose, to communicate that meaning as grace to others.
